up to 18th March 20 is Rs 180+10 as Rs 190 is not one of the stages in the grade of Rs 150-15-360. By the grant of increment of Rs 15/- the ~~salary~~ pay, the sum of Rs 195/- will be absorbed & his pay proper will be Rs 195/- per annum from 18th March 20 as intimated by the Bde Office

2 The Comptroller's interpretation appears to be correct. The pay claimed by Mr. Reidpett, namely, Rs. 205 does not form one of the stages in the grade 150-15-360. The doubt appears to have arisen, because, ~~probably owing to~~ the pay was shown in the allocation order as Rs. 190 instead of Rs. 180+10.

3 In his Council resolution on his appointment now his pay shown against his name in Rs 180 p.m. This fits in with the requirements of the grade. But in the statement attached this was not noted, the pay noted against his name is 190. Efforts have been made from the date the Reorganisation Scheme was sanctioned. What was Mr Reidpett's pay at his time?

in grade.
150-10-250.

4. Mr. Peidpelt's pay was Rs. 180 on 1st March 1919, the date from which the re-organisation of the Public Health Department came into effect. The allocation order was actually issued on 11th September 1919 and as by that time Mr. Peidpelt had earned another increment in the old grade and reached a pay of Rs. 190, the Assistant Secretary proposed to include this figure in the draft in place of the figure that had been approved in Council. The incongruity of the proposal probably escaped notice at the time and the error was perpetuated in the Order that was issued. In view of the fact that the officer was not even spoken of in the Recommendation Roll submitted by the Sanitary Commissioner at the time, it might not be desirable to give him anything more than what was decided upon in Council. As he has however drawn Rs. 190 from 1st March 1919, he may be considered to have been given a pay of Rs. 180+10 from that date

5) The proper course is to treat his pay of 190 (which is not one of the stages in the new grade) as 180+10 R from 1-3-19. He would have got 200 Rs ~~made~~ in his old grade from 12-6-20, whereas he will get only 195 in the new grade from 1-3-20. He might perhaps be allowed to draw 195+5 Rs in the new grade from 1-3-20 - ~~One~~ A year later ~~1-3-21~~ his pay both under the old grade and the new grade will be 210 Rs & thereafter he will

22. Representation of Mr.Srinivasa Peidpett, District Sanitary Officer, in connection with his pay.

23 These papers relate to a recommendation made by the Sanitary W Commissioner in his letter dated 15th April 1920 for the grant of pay of Rs.205/- with effect from 1st March 1920 to Mr.M.G.Srinivasa Peidpett, L.M.& S., B.S.Sc., District Health Officer, Kadur.

2. When the allocation of officers of the Public Health Department in the grades sanctioned in the re-organization of that Department was considered in Council at its meeting held on 11th July 1919, X the pay of Mr.Peidpett was proposed to be fixed at Rs.180/- per mensem in the grade of Rs.150-15-360 as he was getting that pay at the time in his old grade of Rs.150-10-250. But as the allocation Z order was actually issued on 11th September 1919 and as by that time Mr.Peidpett had earned another increment in his old grade and reached a pay of Rs.190/-, this latter figure was inserted in the draft order and it was not noticed at the time that it did not form one of the stages in the new grade. Mr.Peidpett drew his pay at Rs.190/- from 1st March 1919 but the Comptroller objected and issued an Audit Slip to Mr.Peidpett allowing him to draw only Rs.195/- per mensem with effect from 1st March 1920.

3. When the question came up before me for consideration, I thought it desirable in the special circumstances of the case -

(1) to treat the pay of Rs.190/ drawn by Mr.Peidpett from 1st March 1919 as Rs 180 10 in the grade of Rs.150-15-360

(2) to allow him to draw Rs.195/ 5 in the said grade from 1st March 1920 and Rs.210 from 1st March 1921.
